Guidelines		
1	Dress code for work	
	Employees are expected to dress in business casual attire unless the day's tasks require otherwise. • Monday – Thursday – Formal work attire [Any attire with Company name or logo, collared shirts, or blouses and professional work attire] • Friday – Casual work attire [Collared T-shirts, company-branded clothing, and any other non-political and non-offensive clothing] Employees must always present a clean, professional appearance. Everyone is expected to be well-groomed and wear clean clothing, free of holes, tears, or other signs of wear. It is forbidden to wear clothing with unsuitable or obscene patterns or stamps. Tight, revealing, and other inappropriate workplace attire is not permitted. Religion or ethnicity-specific style and grooming standards are exempt.	
2	Work-from-home dress code	
	The Company strives to provide employees with the freedom to wear what's comfortable for them while keeping a professional appearance when they work from home (WFH). This policy gives guidance on what is appropriate for	

	employees to wear but is not intended to be overly restrictive – rather, it is intended to provide guidance for all employees to be productive while WFH. Our goal is to provide a professional, yet relaxed environment for employees to do their best work and provide a positive image to customers. Any employee who does not meet the specific standards will be subject to disciplinary action.
2	Violation of this Policy
	Violations of this policy may include repeated requests to change to appropriate clothing which go unaddressed, specifically violations of this policy as it relates to engagement with customers. If an employee violates this policy, a manager will discipline the employee as per the Company's standard disciplinary actions.
